

AGREEMENT OF INTERNATIONAL COOPERATION

between Donbas State Engineering Academy, Ukraine

and

Faculty of Mechanical Engineering Západočeská univerzita v Plzni

This agreement will be valid from the date and final signature by Prof. Kovalov Viktor from Donbas State Engineering Academy, and doc. Ing. Michal Šimon, Ph.D. head of department of industrial engineering and management from Západočeská univerzita v Plzni

AGREEMENT

Subject of the Agreement

On the basis of voluntary commitment of the joint educational and research activities, as well as on the basis of mutual desire to promote friendly relations among nations, the Parties have agreed to the following terms:

- to exchange information on developments in the field of organizational study process, scientific-and-research activities and methodological work;
- to promote the conditions necessary to provide internships and academic exchange with a view to assure the quality of study process;
- to promote students' exchange;
- to elaborate and develop joint educational and research projects and programs;
- to organize joint educational, scientific-and-practical and cultural events: conferences, seminars, symposia, summer schools, etc.;
- to publish the results of joint research and exchange publications, educational and methodological literature, references and statistical materials of mutual interest.

Terms and other regulations

- Each institution will be responsible for seeking funds to support its involvement in the cooperative activities contemplated under this agreement, and all such activities will be dependent upon the budgetary appropriation of the Parties.
- Any changes and additions to this agreement are integral and must be made in writing and signed by both parties.
- - All activities carried out under this agreement will comply with all applicable rules and regulations of both institutions, all existing state and local laws, rules and regulations.

- Each institution will nominate a contact personnel responsible for the negotiation of the terms in this agreement.
- Both the parties will take all measures to resolve any disputes concerning the implementation of the agreement without recourse to third parties.
- This agreement is agreed by both parties with equal validity. It will have a minimum validity from the date of signature for five years and by the end of the stated period the agreement may be automatically prolonged if neither party expresses their wish to suspend it.
- Parties are to give a written notice, ninety (90) days prior, to the other if they wish to terminate the agreement, provided that such termination will not affect the completion of the activity underway at the time or any previously advertised activity in which commitments to university students have been made.
